

# A Winter Wish For You!

When the winter wind does blow  
and the stars shine bright,  
twinkling by your house where you  
are snuggled in so tight,

I'm reminded of the love  
that I have for you.  
I am thankful "head to toe"  
for everything you do!

You make me as happy as  
a snow day home from school.  
You are always kind and warm...  
but also super cool!

My winter time is better  
whenever you are near.  
Dark and frosty nights are warmed  
by your special cheer.

So with my piano,  
this piece I wrote... it's true!  
It's full of care and from my heart  
with cozy love for you!
