SUPPLEMENTARY SONGS AND ACTIVITIES
FOR MID-PRIMER PIANO STUDENTS

WIN OR LUGE

1. To begin, the student places one penny (the snowman) over each blue game square on the game board.
2. Next, the student chooses a penny, names the note underneath, and then slides the penny along the game squares that contain the matching note. The penny cannot skip over any game squares or move diagonal. For example, if a penny is resting on F on the bass staff, the student slides it from F to F to F.
3. Once the student slides the penny onto a square with a black arrow, it is removed from the game board.
4. The student repeats Steps 3 and 4 for the remaining pennies on the game board. The snowman wins gold when all pennies are removed.
