

Dear Dad,

You may be wondering why I am writing you a letter! Well, first off I wanted to tell you that you are \_\_\_\_\_. Spending time with you is better than a whole bowl of \_\_\_\_\_. You're as handsome as \_\_\_\_\_ and you're so strong I bet you could lift a \_\_\_\_\_.

I like spending time with you so much that I have a special invitation for you: would you like to practice piano with me this week? I think it would be funny to teach you how to play \_\_\_\_\_ and \_\_\_\_\_. You could listen to me play my favorite piece \_\_\_\_\_ too.

Sometimes doing my piano practicing can be lonely, but, if you accept my invitation, piano practice this week will be totally \_\_\_\_\_!

Sincerely,
