

IMPORTANT: If you don't read the information below, the following pages will **SELF DESTRUCT!**

Gotta Read This

PSSST... YOUR PIANO TEACHER THINKS THIS IS THEORY is designed to get your students excited about learning theory. Unlike traditional "worksheet driven" theory books, the activities in this book are intended to be used with the music your students are actually learning in their method books; reinforcing theory concepts as they arise naturally!

PSSST... YOUR PIANO TEACHER THINKS THIS IS THEORY has been created to be used with 6- 11 year olds who are already reading notes on the staff. It is divided into the following nine chapters: Dynamics, Articulation, Italian Terms, Half Steps/ Whole Steps, Accidentals, Intervals, chords, Rests and Values, and Time Signatures.

Method Book **BEAT**

Loop a string through the spine of your method book.
Hang the book from your outstretched arms and let
it dangle between two chairs in front of you.
Make it swing to the beat as your teacher
plays something for you in 3/4 time.

Allow your book to
hit each chair along
with the strong beat
in each bar (ie. **1**23
123).

Do the same while
your teacher plays
something in 4/4
time.
