

WHAT'S UP TOUGH GUY?!

What really **bugs** you about your current piano piece?

Write your answer here →

OK... let's show this bully **WHO IS BOSS!**

When you get home, **tear this page** into as many pieces as you can. Put the pieces into a jar. Keep the jar on your piano.

Now, every time you look at the jar, you'll always remember what you need to focus on when you practice piano this week.

And I bet you'll discover **that bully wasn't so tough!**
