

Mother's DAY

When I think of Mother's Day
I think of someone kind.
Someone who is so unique...
no stand-in could I find!

She's right there in my corner,
she's there when I feel down.
Her hugs can heal my cuts and scrapes,
make smiles out of frowns.

But what to share with someone
who gives me love each day?
Nothing bought can show exactly
what I want to say.

And so with my piano,
this piece I wrote... it's true!
It's full of care, it's from my heart
to say "Mom, I love you!"

1. Choose one of the following phrases...

Happy Mother's Day
My mom is the best!
Mom makes me happy.
My mommy is so sweet!

2. Clap your phrase then write its rhythm.

3. Next ...

Choose any combination of notes
from the C Five-Finger Scale to
match your rhythm.

4. Combine your rhythm from Step 2 with your
melody from Step 3. Write your motive below...

Happy Mother's Day

Musical notation system 1 (measures 1-4). Treble clef, 4/4 time signature. The first and third measures of the treble staff are highlighted in pink. The bass staff contains whole notes in the second and fourth measures.

Musical notation system 2 (measures 5-8). Treble clef, 4/4 time signature. The first and third measures of the treble staff are highlighted in pink. The bass staff contains whole notes in the second and fourth measures.
