

# Father's! DAY!

Hey there Dad, it's Father's Day...  
I think you're just the best!  
You're always full of fun and games,  
you stand out from the rest.

A dad like you is hard to find,  
you make me smile each day.  
A hug from you is all I need  
to brush the blues away.

I thought of what to get for you,  
to show you how I care.  
Nothing was quite good enough...  
you're tops beyond compare!

And so with my piano,  
this piece I wrote... it's true!  
It's full of care, it's from my heart  
to say "Dad, I love you!"
