

RISE AND SHINE

BULL SHARK

- 1 To wake the bull shark roll a die and then write the resulting value in the first circle on the blanket. Roll again if the die displays a "5" or "6".
- 2 Roll the die **three more times** and write the resulting values in the three remaining circles on the blanket. You have now created your Rhythm-Reading Road Map.
- 3 **Clap the rhythms** below the image in the order of the Rhythm-Reading Road Map generated in Steps 1 - 2. Next, create a new numbered path and clap the rhythms again!
