

# INTERVAL ESCAPE

- 1 **Sit on the floor** with the activity sheet. Keep the sheet out of view from your teacher. Place a coin over the green circle.
- 2 Next, listen as your teacher plays an interval on the piano. Move your coin one space to the left if a 4th was played, one space forward if a 5th was played, and one space to the right if a 6th was played.
- 3 **Repeat Step 2** until your coin lands on a circle with an 'X' (you win the game) or an '!' (you lose the game). If, at any point in the game, your coin comes to rest on a black circle, it is returned to the green circle and play continues.
