

WUNDERKEYS ROCK REPERTOIRE
FOR TEEN BEGINNERS

- 1 Sit on the floor with an overturned container. Hold a pencil in your right hand (RH) and a pencil in your left hand (LH). Look at the first line of rhythm below.
- 2 If a measure of rhythm is inside a box with the right circle filled in, tap that box's entire rhythm on the container using your RH. If a measure of rhythm is inside a box with the left circle filled in, tap that box's entire rhythm on the container using your LH. If a measure of rhythm is inside a box with both circles filled in, tap that box's entire rhythm on the container using both hands. Play again with the remaining lines of rhythm.
