

holiday HURRY

- 1 Before the game begins, circle the skunk, the bear or the rabbit.
- 2 **Roll a die** until it displays a number that corresponds with one of the three die images. Below that image, draw its corresponding note (F, G, or A) on the first staff.
- 3 Repeat Step 2 until a note has been drawn on each staff below **one of the three die images**, creating a pathway from an animal to its sleigh. Did your circled animal reach its sleigh first? If so, you win!
