

PENTA-POINTS
BASS G 5-FINGER

- 1 To begin, select a musical excerpt. Next, name the notes in the excerpt and use the legend to determine the points received by each note.
- 2 In the second column, add up the points received by the notes in the musical excerpt selected in Step 1. Write the resulting value in the third column.
- 3 Repeat Steps 1 and 2 for the remaining musical excerpts.
