

Note reading is important; no teacher will deny that. But as piano students move from primer books to level 1 books, intervallic reading becomes just as important.

In today's post we're sharing our Polka Dot Intervals homework printable; an enjoyable coloring activity that reinforces intervallic reading.

## LEVEL 1 - INTERVALS

### **POLKA DOT INTERVALS**

- 1 Roll a die. Find the note image that matches the number rolled. Roll a second die. Find the note image that matches the number rolled.
- 2 Determine the interval represented by the two notes. If the interval is a 2nd, color one bear polka dot red. If it is a 3rd, color one bear polka dot blue. If it is a 4th, color one bear polka dot orange. If it is a 5th, color one bear polka dot purple. If the notes are the same, color one bear polka dot purple.
- 3 Keep playing until all polka dots are colored. Complete the picture by filling in the rest of the bear with a color of your choice.

# ELEMENTARY PIANO LEVEL 1

Level 1 is loved by teachers for its all-in-one approach that delivers “out of this world” lessons packed with “pick-a-path” sight-reading modules, technical exercises, “lap and clap” rhythmic duet experiences, game-based ear training, enjoyable teacher duets, and of course... a ton of exciting piano solos.

It is also loved by students for its hilarious, story-based approach, its unique game-based learning activities, its shared teacher/student music-making experiences, and its, “Can I please play this one more time!” piano pieces.

In Level 1A students will continue their exploration of note reading on the grand staff, add expression using staccato, legato, crescendo, diminuendo and pedal, identify and play harmonic and melodic intervals of a 2nd, 3rd, 4th, and 5th, improve coordination, gain confidence playing “out of position,” explore mid-piece hand movement, reinforce rhythmic accuracy, gain a sense of pulse, and explore rest values.

**BUY LEVEL 1A**

In Level 1B students will gain an understanding of accidentals by identifying and playing notes affected by sharps and flats, reinforce note reading in C five-finger scales and G five-finger scales, explore major chords and minor chords in blocked and broken forms, improve bilateral abilities and explore mid-piece hand movements, and continue an exploration of rhythm with an introduction to eighth notes.
