

FANCY PANTS

- 1 Roll a die. Find the note image that matches the number rolled. Roll a second die. Find the note image that matches the number rolled.
- 2 Determine if the two notes selected in Step 1 represent a STEP or a SKIP and then use a colored pencil to fill in one stripe on the corresponding pant leg. If the two notes do not represent a step or a skip, roll again.
- 3 Keep playing until both pant legs are completely colored. When coloring, alternate colored pencils to create funky rainbow pants.
