# PRIMER NOTE PRINTING FUN

In this book, we have created an innovative approach to note reading where students build pre-composed piano pieces by printing the music on the page.

After building a piece, they are rewarded with a tune they can play.

For additional enjoyment, the note printing piano pieces are interspersed with game-based activities and exercises.

**Let's make some music in middle C position!** Use the note guides found in the middle of the grand staff to help you complete this piece. When printing a note on the staff above or below each note guide, make sure your note value (quarter, half or whole) matches the value of the note guide. When you have built this piece, perform it on the piano.

5

A grand staff with two staves. The treble clef is on the top staff, and the bass clef is on the bottom staff. A brace on the left side groups both staves. The first measure contains four notes: E (quarter note), D (quarter note), E (quarter note), and D (quarter note). The second measure contains four notes: C (quarter note), D (quarter note), E (quarter note), and D (quarter note). The lyrics "Pad - dle out and catch a break - er." are written below the notes.
