TECHNICAL EXERCISES, BOOK 1

The 226 exercises in this book for primer students are scaffolded to ensure note reading success.

Using a step-by-step introduction of notes, Book 1 follows the progression of most primer piano books with carefully crafted exercises that grow with your piano students as they acquire new notes, skills, and abilities.

By the end of this book, you will have developed primer piano students who can comfortably play and read notes in middle C position and C position.
