

Use today's note reading mazes to reinforce the C 5-finger scales with your mid-primer piano students.

## NOTE READING MAZES

### MAZE ONE

Select a note name and then find the box with its matching note image. Next, use a colored pencil to trace a path from the note name to the note image. Play again with a new note name and a different colored pencil.

1

### MAZE TWO

Select a note name and then find the box with its matching note image. Next, use a colored pencil to trace a path from the note name to the note image. Play again with a new note name and a different colored pencil.

# PRIMER MUSIC

WUNDERKEYS MUSIC BOOKS

Composed for mid-primer piano students, **Who Slobbered On My Songbook?** is packed with piano pieces and activities that reinforce playing in the C 5-finger scales.

This resource follows the adventures of a homework-hungry dog who has been framed for a chewy crime he didn't commit.

Inside you will find 7 piano solos, a teacher-student duet, warm-up exercises, note reading games, sight-reading and rhythm activities, a practice tracker, and a certificate.

**WHO SLOBBERED ON MY  
SONGBOOK?**

**NOTE READING**

Beginning at the dog and ending at the hamster, draw a line that passes through seven note circles. In Box 1, write the name of each note in each circle that rests on your path. Next, draw a new path and write the note names in Box 2. Finally, draw again.
