NOTE PRINTING ACTIVITY BOOK

In this book, we have created an innovative approach to note reading where students build pre-composed piano pieces by printing the music on the page.

As they use our easy-to-follow note guides to put the pieces together, students will be committing notes to memory... once and for all!

With over 75 pages of activities and music, we'll show your piano students how to have fun learning to read music in Middle C Position and C Position!

Let's make some music in middle C position! Use the note guides found in the middle of the grand staff to help you complete this piece. When printing a note on the staff above or below each note guide, make sure your note value (quarter or half) matches the value of the note guide. When you have built this piece, perform it for your mom.
