# TIMED NOTE READING TESTS

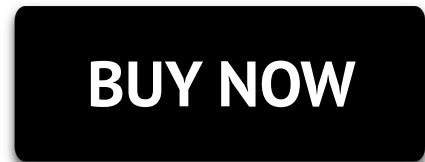

There are 10,080 minutes in a week. You teach each of your piano students for only 30 of these minutes.

Do you really want to waste precious lesson minutes reviewing note reading over and over? Of course not.

*Andrea and Trevor Dow's Timed Note Reading Tests For Piano, Book 1* contains 90 days of note reading exercises. Each exercise contains approximately 30 note reading questions; making it approachable for your young piano students and your teen beginners.
