

Plant and Play Intervals is a scarecrow-themed DIY activity where kids master intervals by completing their own set of flashcards.

INTERVAL READING

HOW TO PLAY

1. Pick a flashcard and read the interval name on the front.
2. On the back of the card, draw the matching interval in the treble C or C five-finger scale.
3. Continue until all cards are complete.
4. When finished, shuffle the deck and quiz yourself by naming the intervals and checking your answers on the front.
